North Dakota Lobbyists Association

Welcome!

The North Dakota Lobbyists Association is pleased to present the seventh edition of the directory of North Dakota lobbyists. We are a membership organization that provides educational, networking and professional development opportunities to those who work in government relations, public policy and advocacy. We hope you find this to be a useful tool in navigating many of the people and organizations with whom you will likely collaborate on public policy in our great state.

Megan Houn
President

The directory provides a listing of members of our association, including their contact information and a listing of the clients or organizations they represent at the time of printing. It is not a comprehensive listing of everyone who is registered as a lobbyist in the state of North Dakota. For such a list, please visit the Secretary of State's website at **www.nd.gov/sos**.

*We wish you the best in the upcoming
biennium and look forward to working with you!*
